9975-7-II

— See attached map. The area north of the islands and bonded by Santa Barbara and Fort leignello is of interest.

1. Determine the location of the most actionable vessel involved in the shipment of controband in the form of illegal drugs.

2. Describe the vessel

3. Locate and describe the contraband aboard ship.

4. Thought phonetics related to the name of the vessel and the call sign(s) used.
